

DAY 8

Find different things related to one of your passions. Find a book that has something to do with your passion. Find a show or a movie. Find a song. Write down the name of a person who shares your passion. How many different things can you find that are related to one of your passions?

OR

Pick one of your passions and do something right now to help you get better at it. If one of your passions is drawing, draw a picture. If one of your passions is a sport, do something to practice some skill with that sport. Make something. Practice something. DO SOMETHING. You can always do *something*.
