

DAY 18

Call someone who is on your team. Share with them an obstacle you are facing. Also, find out an obstacle they are facing. Talk to them about it and see if you can help them.

OR

On a computer or a tablet or something like that, create a document where you put a picture of everybody on your team. That means you have to find a picture of everybody on your team, and then get them all on the same document. You can even add other graphics or captions or notes or anything you want to make it exactly what you want it to be.
